

District 25

Grades 5-8 Parents

You are invited to a night with Devorah Heitner, PHD...

**Thursday,
December 1st**

7:00 PM

**at South Middle
School**

Raising Digital Natives

"If you are raising kids, you are raising Digital Natives. Sometimes, it feels like they are addicted, detached, or distracted. You can't see what they are doing 'on there.' You use social media, but not the same ways they do.

And it goes deeper than that. Deeper than their experiences today. Our kids need mentorship to become the best people they can be in our connected world."

-Devorah Heitner, PHD
