### 2016-2017 Annual AHERA Asbestos Notification

Once a year, Arlington Heights School District 25 is required to publish notification to all workers, legal guardians and staff that the required asbestos surveys and re-inspections have occurred and the location of the Asbestos Management Plans.

In December 2016, a licensed asbestos inspector/management planner has completed the required Three Year Asbestos Re-inspection for all buildings within the district.

A copy of the AHERA Asbestos Inspection Reports and Management Plans are available for inspection at the Facilities Management Office. For more information please call 847-506-6900.
