

KEY

- Sidewalk
- Crossing Guard or 5th Grade Patrol
- Path of Car Line
- Drop-off/Pick-Up Area
- Safe Walking/Biking Route (no car traffic)

CAR LINE PROCEDURES

- * driver **MUST** stay in car at all times
- * wait patiently in line for cars ahead to proceed forward or out of line
- * proceed with caution
- * pull as far ahead as possible without going around other cars
- * drop off and pick up children **ONLY** on school-side of the street in front of school (car must be facing south on Dryden)
- * **NEVER** drop off or pick up while facing north (toward Rockwell) on Dryden
- * children should enter/exit car from the grassy parkway. **NEVER** from the street
- * exit car line as soon as safely possible after children have entered/exited car
- * do **NOT** cut in & out of car line
- * do **NOT** pass entire car line to cut in at the front
- * do **NOT** block neighbors' driveways

Did you know that the entire drop-off/pick-up process takes about 3 minutes?

3 MINUTES OF "PASS" - PATIENCE, ATTENTION, SAFETY, AND SLOW DOWN

Cell phone use in school zones is illegal during school hours.
