Inclement Weather e-Learning Plan

There were no comments from the public on the Inclement Weather e-Learning Plan

COMMENTS TO BOARD MEMBERS

Arlington Heights Council of PTAs | Liz Nierman

AHCPTA is committed to partnering with the district to provide whatever programming we can while keeping our entire community - students, families, and staff - as safe as possible. What is possible will evolve as our local health metrics change.

ABC25 Foundation | Ann Poyer

ABC25 is hard at work thinking of creative and innovative ways to support teachers and families during this school year. We encourage families and staff to join the foundation. Every school with 25% of families who join will receive at least a \$2,000 school grant. You can join on the ABC/25 website.

Approval Highlights:

- This plan gives the District the opportunity to use eLearning days in place of an inclement weather day.
- This plan allows for a predictable end of the school year.
- The student engagement would take place on the actual emergency day | 5 clock hours (K-8)
- Special Education Services:
 - Team will assess level of support needed for eLearning
 - Students will be provided support for classwork or core lessons from SPED teacher
 - eLearning will be discussed at annual review meeting for all IEP students

Approval Highlights:

- Requests for crossing guard placements are considered on an annual basis.
- Crossing guards are funded through monies received from the Village of Arlington Heights.
- Locations have not changed since last year.

Calendar Updates:

- Start and end dates
- Quarter & Trimester end dates
- Progress Reports Issued dates
- Additional Remote Learning Planning Days

Approval Highlights:
