

Create a new Parent account

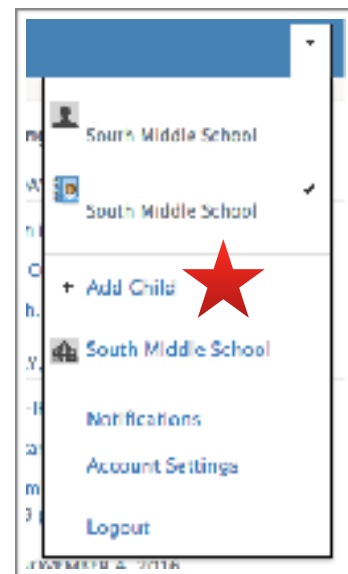

1. To set up your parent account, go to <https://app.schoology.com/register>
2. Click on PARENT
3. Enter your Access Code. This code is given to you by one of your child's instructors, and it should look similar to this: xxx-xxx-xxx.
4. Fill out the form with your information.

Using your email address for the username is recommended to create a unique account.

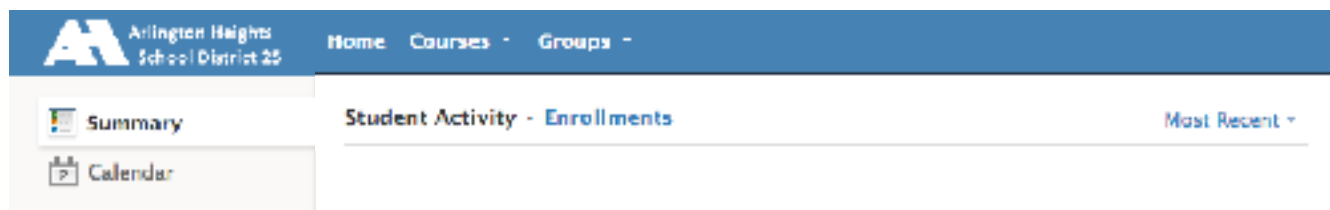

When you use a Parent Access Code to create an account, you will be automatically associated to the student.

To associate additional students to your account, click on the Add Child button in drop down menu of the Schoology account (upper right hand corner) and enter the access code for additional children.

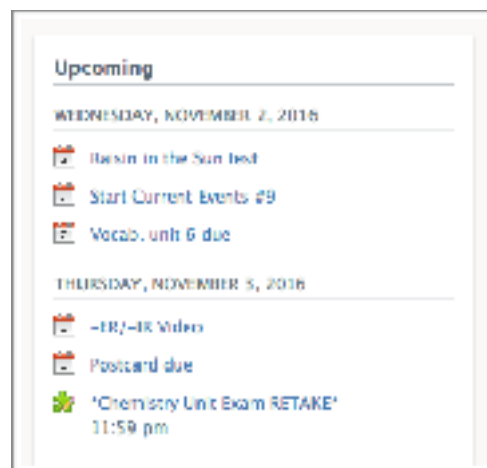

Logging Into Your Account and Navigating Schoology

1. Go to app.schoology.com (please bookmark)
2. Enter your username and password and click LOGIN

The **Menu Bar** (above) allows you to navigate Schoology and find information about calendar items, student activity and groups. The name in the upper right hand corner indicates if you are viewing the parent or student account. **Student Activity** displays the most recent comments and submissions. On the right hand side is an integrated **Calendar** that shows upcoming events. **Courses** allows you to see each class for your child and then the materials and resources available.

Find out a lot more information about notifications, settings, and email digests at the Schoology Parent Guide page - <https://support.schoology.com/hc/en-us/articles/201000873-Parent-Guide>

Please remember that Edline will continue to be the place for viewing student grades for the 2016-17 school year
