Dear District 25 Families,

Thank you for participating in the April 4 election. The recently elected Board members, David Page, Erin Johannesen, Rich Olejniczak, and Anisha Patel, will be sworn in at the April 27 School Board meeting. Board members are volunteers serving on behalf of their community and we are grateful for their time and dedication.

As you may have heard, a unique situation arose from this past election. There were questions regarding one candidate, Ms. Anisha Patel's, residency within District 25's boundaries. These questions required that the Board and the District wait for direction and guidance from the Cook County Clerk and the School District's attorney.

Today at noon, District 25 officials received word from the District's attorney confirming school board candidate, Ms. Anisha Patel, is a resident of District 25 and that she is eligible to serve on the District 25 Board of Education.

Thank you for taking such a passionate interest in our District. Please read the below message from District 25 School Board President, David Page:

I wish I could have made a statement sooner, but we were doing our due diligence as a Board and we needed to wait until we had final guidance from the Cook County Clerk and the School District's attorney to make sure this issue was resolved. We want to thank the Arlington Heights residents for their patience over the past few days. I'm happy this situation has been resolved and on behalf of the District 25 Board of Education, we look forward to working with Anisha. – David Page, District 25 School Board President

Have a great weekend,

Dr. Lori Bein, Ed.D
Superintendent
