

8th Grade Students End of Year Lunch Balance

Eighth grade students are encouraged to monitor their lunch account balance and spend it down by the end of the school year. Unspent balances may transfer to a younger sibling (in any District 25 building) or a check reimbursement may be requested by completing the form at the bottom of the page and returning it to the Middle School Office by May 31st.

Reimbursement checks will be cut only for amounts exceeding \$10.00. If we do not receive a check/transfer request in writing by May 31st, remaining balances will be donated to the Bernice Gliege Angel Fund, which supports students with need in District 25.
