- Tuesday, January 11, 2022
  - \* Executive Order 2022-03
  - \* Revised Public Health Guidance for Schools
  - \* FAQ Update
  - \* Interim Guidance – Exclusion Protocols
  - \* Interim Guidance – Testing
  - \* Test to Stay Protocol Flow Chart

# Procedure Updates

- Exclusion is 5 days minimum with a maximum of 10 days
- Days 6 – 10
  - Must include 6 foot distancing when masks are removed
  - May participate in extracurriculars except for competitions and performances
- Staff members must be excluded as close contacts if they do not have the primary vaccination AND the booster
- Anyone who is not able to wear a mask or distance must be excluded for 10 days
- Significant amount of details for nurses, contact tracers, and administrators

# Celebrations

- There were days of 30+ unfilled staff absences
  - \* Teachers covered additional classes
  - \* Staff changed roles at a moment's notice
  - \* Administrators covered classes & Academy
  - \* Additional personnel helped with Academy
  - \* School nurses spoke with 100s of people about individual needs
- **Teachers are teaching and students are learning!**
- Parents are communicating with schools
- All hands on deck = Parents, Staff, Students
- Close contacts in-school are limited
- D25 mitigation strategies are working as CCDPH not seeing in-school outbreaks
