

SCHOOL DISTRICT ORGANIZATION

1:20 District Organization, Operations, and Cooperative Agreements

The District is organized and operates as an Elementary District serving the needs of children in grades K through 8 and others as required by the School Code. An Early Childhood Program offers special education services to children three to six years of age with learning or developmental delays.

The District enters into and participates in joint programs and intergovernmental agreements with units of local government and other school districts in order to jointly provide services and activities in a manner that will increase flexibility, scope of service opportunities, cost reductions, and/or otherwise benefit the District and the community. The Superintendent shall manage these activities to the extent the program or agreement requires the District's participation, and shall provide periodic implementation or operational data and/or reports to the Board concerning these programs and agreements.
