

INSTRUCTION

6:270 Guidance and Counseling Support

The School District provides guidance and counseling support for students. The Superintendent or designee shall direct the District's counseling services. School counseling services, as described by State law, may be performed by school counselors or licensed educators with a school support personnel endorsement in the area of school counseling. Counseling support will assist students with interventions related to academic, social and/or personal issues. Students shall be encouraged to seek academic, social, and/or personal assistance.

Each staff member is responsible for effectively guiding students under the staff member's supervision in order to provide early identification of intellectual, emotional, social, or physical needs, diagnosis of any learning disabilities, and development of educational potential.
