

INSTRUCTION

6:30 Organization of Instruction

The School District provides instruction for EC - 8th grades. The Superintendent shall annually present to the Board a plan for organizing instructional levels and assigning them to school facilities in order to:

1. Support the District's educational program,
2. Maximize facility usage without undue overcrowding, and
3. Provide substantially comparable instructional programs across the District.

Students, for instructional purposes, may be placed in groups within a school that do not necessarily follow grade level designations. For purposes of attendance reporting and other records, however, each student is assigned a grade-level placement.

Kindergarten

The District maintains a half-day kindergarten with an instructional program that fulfills the District's curriculum goals and objectives and the requirements of State law. Effective August 2024, the District plans to offer a full-day kindergarten program with an instructional program that fulfills the District's curriculum goals and objectives and the requirements of State law. Parents will also have the ability to choose half-day kindergarten.
