Guidance and Counseling Support

The School District provides guidance and counseling support for students. The Superintendent or designee shall direct the District's counseling services. School counseling services, as described by State law, may be performed by a qualified school social worker or any certificated staff member. Counseling support will assist students with interventions related to academic, social and/or personal issues. Students shall be encouraged to seek academic, social, and/or personal assistance.

Each staff member is responsible for effectively guiding students under his/her supervision in order to provide early identification of intellectual, emotional, social, or physical needs, diagnosis of any learning disabilities, and development of educational potential.
