

Instruction

Homework

Homework is part of the District's instructional program and has the overarching goal of increasing student achievement. Homework is assigned to further a student's educational development and is an application or adaptation of a classroom experience. The Superintendent shall provide guidance to ensure that homework:

1. Is used to reinforce and apply previously covered concepts, principles, and skills;
2. Is not assigned for disciplinary purposes;
3. Serves as a communication link between the school and parents/guardians;
4. Encourages independent thought, self-direction, and self-discipline; and
5. Is of appropriate frequency and length, according to the teacher's best professional judgment.

Recognizing the importance of parental involvement in homework, the Superintendent or designee shall ensure that parents/guardians are informed of, (1) whom to contact with questions or concerns about homework assignments, and (2) methods to facilitate homework completion.
