

OPERATIONAL SERVICES

4:30 Revenue and Investments

Revenue

The Superintendent or designee is responsible for making all claims for property tax revenue, State Aid, special State funds for specific programs, federal funds, and categorical grants.

Investments

The Superintendent shall either appoint a Chief Investment Officer or, enter into a Board-approved intergovernmental agreement. The Chief Investment Officer shall invest money that is not required for current operations, in accordance with this policy and State law.

The Chief Investment Officer and Superintendent shall use the standard of prudence when making investment decisions. They shall use the judgment and care, under circumstances then prevailing, that persons of prudence, discretion, and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the safety of their capital as well as its probable income.

Investment Objectives

The objectives for the School District's investment activities are:

1. Safety of Principal - Every investment is made with safety as the primary and over-riding concern. Each investment transaction shall ensure that capital loss, whether from credit or market risk, is avoided.
2. Liquidity - The investment portfolio shall provide sufficient liquidity to pay District obligations as they become due. In this regard, the maturity and marketability of investments shall be considered.
3. Rate of Return - The highest return on investments is sought, consistent with the preservation of principal and prudent investment principles.
4. Diversification - The investment portfolio is diversified as to materials and investments, as appropriate to the nature, purpose, and amount of the funds.

Authorized Investments

The Chief Investment Officer may invest District funds in any investment as authorized by the Public Funds Investment Act, and Acts amendatory thereto.

The Chief Investment Officer and Superintendent shall regularly consider material, relevant, and decision-useful sustainability factors in evaluating investment decisions, within the bounds of financial and fiduciary prudence. Such factors include, but are not limited to: (1) corporate governance and leadership factors, (2) environmental factors, (3) social capital factors, (4) human capital factors, and (5) business model and innovation factors, as provided under the Ill. Sustainable Investing Act, 30 ILCS 238/.

Collateral Requirements

All amounts deposited or invested with financial institutions in excess of any insurance limit shall be collateralized in accordance with the Public Funds Investment Act, 30 ILCS 235/. The Superintendent or designee shall keep the Board informed of collateral agreements.

Safekeeping and Custody Arrangements

The preferred method for safekeeping is to have securities registered in the District's name and held by a third-party custodian. Safekeeping practices should qualify for the Governmental Accounting Standards Board (GASB) Statement No. 3, Deposits with Financial Institutions, Investments (including Repurchase Agreements), and Reverse Repurchase Agreements, Category I, the highest recognized safekeeping procedures.

Controls and Report

The Chief Investment Officer shall establish a system of internal controls and written operational procedures to prevent losses arising from fraud, employee error, misrepresentation by third parties, or imprudent employee action.

The Chief Investment Officer shall provide a monthly investment report to the Board. The report will: (1) assess whether the investment portfolio is meeting the District's investment objectives, (2) identify each security by class or type, book value, income earned, and market value, (3) identify those institutions providing investment services to the District, and (4) include any other relevant information. The investment portfolio's performance shall be measured by appropriate and creditable industry standards for the investment type.

The Board of Education will determine, after receiving the Superintendent's recommendation, which fund is in most need of interest income and the Superintendent shall execute a transfer. This provision does not apply when the use of interest earned on a particular fund is restricted.

Ethics and Conflicts of Interest

The Board of Education and District officials will avoid any investment transaction or practice that in appearance or fact might impair public confidence. Board members are bound by the Board policy 2:100, *Board Member Conflict of Interest*. No District employee having influence on the District's investment decisions shall:

1. Have any interest, directly or indirectly, in any investments in which the District is authorized to invest,
2. Have any interest, directly or indirectly, in the sellers, sponsors, or managers of those investments, or
3. Receive, in any manner, compensation of any kind from any investments in that the agency is authorized to invest.
