8:110 Public Suggestions and Concerns

The Board of Education is interested in receiving suggestions and concerns from members of the community. Any individual may make a suggestion by contacting any District or School office. Community members who e-mail the District or any District employee or board member are expected to abide by the standards in Board policy 6:235, *Access to Electronic Networks*, and should, to the extent possible, limit their communications to relevant individuals. All suggestions will be referred to the appropriate level staff member or District administrator who is most able to respond in a timely manner. Each suggestion shall be considered on its merit.

An individual who is not satisfied may file a grievance under Board policy 2:260, *Uniform Grievance Procedure*. The Board encourages, but does not require, individuals to follow the channels of authority prior to filing a grievance. Neither this policy nor the *Uniform Grievance Procedure* create an independent right to a hearing before the Board.
