### **Erin's Law**

On January 4<sup>th</sup>, a letter went home regarding the implementation of Erin's Law in our early childhood and elementary classrooms. Each school received a different letter in order to differentiate the different days that the Erin's Law curriculum will be presented in each grade. For all things Erin's Law, including the taped parent information nights, the grade based curriculums, links to videos, and all letters sent out, visit our Student Services section of our [web site](#), or click the link below.
