Where: South Middle School

Time: 5:00 pm – 6:30 pm.

How Much: FREE!

WAIT...don't throw that away! – In an effort to help our students learn to prevent unneeded waste we are requesting that all students who pack meals for lunch, put their uneaten, **packaged** food back in their lunch container to bring home. Examples include unopened yogurts, drinks, packaged snack items, etc. This will help decrease the unneeded waste and will help parents monitor what their student is eating for lunch.

Get to Know Ya...PODCAST

We are Growing! Expansion Projects - Update

Thomas Middle School and Windsor Elementary School are next up and while the progress of each of these projects are at different points, each school's expansion is expected to be done by opening day for the 2017-2018 school year.

Currently the Thomas project is out for bid, and the most responsible bidder will be selected. The plan is to break ground on Thomas's expansion in early November.

The Windsor expansion project's detailed designs are being drawn up now. Once those are ready, the designs will be sent out to bid and District 25's Board of Education will review the bids.
