Special Meeting: Closed Session

This is a new meeting to our calendar. The purpose of this Closed Session Meeting is for the Board to continue in their Board Development workshop that they began last week. This meeting will include a facilitator from the Illinois Association of School Boards which is required by law. Together, the Board members will review their Board Agreements and discuss best practices in Board governance.

There are no Action Items allowed in Closed Session.

The meeting will occur via Zoom, but Closed Session meetings are not viewable by the public, and there is no Community Input section on the agenda.
