## School Supply List | 23-24

### **PTA Fundraiser - Buy Online and it ships to school!**

Thanks to our PTA, getting your child's school supplies can be as easy as 1,2,3! Each year our PTA provides an option for parents to purchase a school supply kit (also a PTA fundraiser) which includes all of the supplies your child will need for next year. The money raised from this program helps to fund the many activities and clubs that the PTA organizes and sponsors. Orders must be placed by July 1. Please [click here to purchase](#) your child's school supply package. **In addition to this package, you must also provide a set of headphones for your student to use/keep at school.** Our tech staff has done some extensive research on headphones and found a pair that is extremely durable. Check out [Gumdrop Headphones](#) and order online.

### **Shop on your own**

While the online PTA order is super convenient, families are welcome to purchase items on their own. Click [HERE to print](#) a list of school supplies needed for each grade level for next year. Please check the list carefully and make sure you are referencing the correct grade for your child. **In addition to this list, you must also provide a set of headphones for your student to use/keep at school.** Our tech staff has done some extensive research on headphones and found a pair that is extremely durable. Check out [Gumdrop Headphones](#) and order online.

[NOTE: D25 registration fees do not cover school supplies.]
