Dear South Middle School Staff and Families,

Our apologies as we need to notify you of a correction to [the letter sent to the South community, yesterday](#). The letter states that there are "no close contacts to any of these cases". There were actually 16 close contacts to the 9 positive cases that occurred over the past 2 weeks. At this point, none of the close contacts have tested positive for COVID-19. Those students have also followed the required mitigation procedures.

As a reminder, if you would like to sign your 6th grade student up for the Academy program as a precaution, please fill out this form ([linked here](#)).

Sincerely,

Lori D. Bein, Ed.D.
Superintendent
