Dear District 25 Staff & Families:

At last week's Board meeting, the Board decided to move the conversation about Full Day Kindergarten to a Special Committee of the Whole Board of Education meeting this Thursday, December 16 at 6:00 pm. This will give the Board more time to focus specifically on this important topic. This meeting will be livestreamed via this YouTube link: <https://youtu.be/NOOsryDmpKY>.

Just so you are aware, no action will be taken at this Committee of the Whole meeting. The Board uses a Committee of the Whole meeting to learn about and openly discuss a specific topic of interest. There is an opportunity for live Public Comment at the beginning and end of these meetings. Anyone who has a public comment and is not going to attend the meeting in-person, is welcome to submit their comment via this google form ([linked here](#)).

Thank you,

Lori D. Bein, Ed.D.
Superintendent
