Friday, May 1, 2020

Dear Arlington Heights School District 25 Families:

As we enter the month of May, we will continue to utilize the Remote Learning 3.0 format. Each school will also be providing you with information about picking up your students' materials. As a reminder, school offices are open on Tuesdays now from 8:00 am – 12:00 pm. Tuesday mornings would be a great time to pick up medications or specialized equipment that belongs to your student. Finally, schools will be designing ways to help our students find some connection and closure for the current school year.

Attached is a summary of the results of the survey we asked parents to complete for us. Thank you for providing your input. There were over 1,800 individual comments, and I read every single one of them. I will be sharing these results with our leadership team so that we can continue to improve on our practices and procedures.

[SURVEY RESULTS HERE](#)

I don't know, yet, what the 2020-2021 school year will look like, but we will be preparing for all options. As a part of our planning, we will be looking to address parent concerns and implement your ideas into all that we do.

I am certain that I will have more information to share with you during the month of May. In the meantime, you are in my thoughts. Being a parent is hard. Being a teacher is hard. Being both at the same time is nearly impossible. Yet, you are doing it. We are all doing more than we could have imagined we were capable of doing. I hope that this weekend's warm weather provides you with opportunities to get outside, to breathe in fresh air, and to take a break.

Sincerely and with great appreciation,

Lori D. Bein, Ed.D.  
Superintendent
