

STEAM Camps

SCIENCE, TECHNOLOGY, ENGINEERING, ARTS AND MATH

Your summer adventure awaits

July 9 - Aug. 4, 2023

Day and residential camps for aspiring scientists, engineers and creators on the campuses of Northern Illinois University.

Day Camps (Entering grades 2-9)

Explore outer space, coding, art or food science in full day sessions for grade 6-9 or half day sessions for grades 2-5.

Residential Camps (Entering grades 6-12)

High schoolers: Experience life on a college campus while exploring career paths in engineering, health sciences or video game design.

Middle schoolers: Explore the great outdoors at NIU's Lorado Taft Field Campus.
