

TRAVEL AROUND THE **WORLD** WITH **AMAZING MINDS!**

Our Saturday workshops will give your children the opportunity to see what exciting, fun, educational activities Amazing Minds has to offer! Through hands on STEM activities, scavenger hunts, and much more your kids will cross oceans and continents to Italy, China, Australia, New York, Ancient Egypt and Chicago to celebrate creativity and encourage imagination!

- Say "Ciao!" to fun with cultural games and activities; play bocce and calcio!
- Yee, Uhr, Sahn (1, 2, 3)...it's off to China to explore its culture and traditions; take part in games played by kids in China!
- Hop, hop, hop down under to Australia and discover the animals from the outback to the Great Barrier Reef.
- Meet Lady Liberty in the Big Apple and roam the halls of the Museum of Natural History and show your dramatic side by performing on Broadway.
- Journey back 5000 years to ancient Egypt and learn about mummies and pharaohs, the many inventions of the ancient Egyptian people, how pyramids were built and what lies inside!
- Then it's home sweet home to Chicago. Explore all the landmarks you've been to in our lovely city and discover many others.

Please see the AHPD summer brochure for registration information. Workshops will be held on SATURDAYS (weekly registration): 6/10-8/12 from 11:00-1:00 PM. Bring your lunch and come explore with us!
